

TIOGA ISD

Executive Summary: September 2026

Goal 1/Exit Criteria 1: Tioga ISD will pass FIRST financial ratings and Academic Accountability ratings to regain Accreditation status

Goal 2/Exit Criteria 2: Complete TEA Repayment plan by June 30, 2028, or earlier.

Campus Academics

A review of the middle school schedule for intervention support was discussed with district staff. Second semester course offerings and student schedule changes will be considered to provide additional support.

District Academics

District received their preliminary academic rating for 2025-2026 in August 2026 and achieved an “A” rating. This is an improvement over the 2024-2025 rating where the district score was a “B”. Improvement was noted in School Progress from a 77 in 2025 to 84 for 2026 due to the relative performance in Economically Disadvantaged. Academic Growth showed a decrease from 72 to 70 for 2026. Overall Student Achievement increased from 85 to 91.

Governance

Tioga’s board has had vacancies for two positions. Trustee Seat 5 was filled at the September meeting by Judith Owens and Trustee Seat 4 remains vacant.

Finance

Tioga has passed the FIRST financial rating that was released August 2026 and held their public hearing as required. This, along with their academic rating, meets Goal 1/Exit Criteria 1.

Enrollment decrease has been discussed with the district. The superintendent has requested a reduction in state aid to correlate with the student enrollment to avoid over payment.

Discussion on the district's ability to retire existing debt, issue bonds from the 2024 bond election, and move debt payments from the General Fund to the Interest and Sinking Fund will be held at the next board meeting.
